

Navsarthak Foundation, Banswara, is a committed educational and social development organization that has been working with unwavering dedication to uplift the tribal and rural communities of southern Rajasthan. Our foundation was established with a mission to promote quality education, character building, and skill development among underserved populations. Over the years, we have successfully transformed educational access and outcomes through our various institutions under the banner of “LEO”—*Learn, Empower, Organize*.

Institutions Under Navsarthak Foundation:

1. LEO College, Banswara

A reputed higher education institution offering undergraduate and postgraduate programs focused on Arts, Commerce, and professional studies. The college is duly approved by AICTE and affiliated with Govind Guru Tribal University Banswara. The college emphasizes academic excellence, soft skill development, and competitive exam readiness, catering to the aspirations of tribal youth.

2. LEO International School, Banswara

A modern CBSE-affiliated school committed to value-based education, LEO International fosters global perspectives, life skills, and innovation in learning. The school is duly affiliated with CBSE and NIOS for the study of pre-primary to senior secondary classes in commerce, arts and science. The school has become a preferred choice for parents seeking holistic development for their children.

3. LEO College, Ghatol

Extending our mission into deeper rural areas, this college offers quality tertiary education and vocational training programs. The college is duly affiliated with Govind Guru Tribal University Banswara. It plays a critical role in empowering first-generation learners with academic and professional competencies.

4. LEO International School, Ghatol

A dynamic institution blending global teaching standards with local values. The school is affiliated with RBSE for the study up to senior secondary level studies. The school has significantly improved primary and secondary education accessibility in the region and continues to produce disciplined, socially responsible students.

Achievements and Successes:

- **Educational Upliftment:** Thousands of students from tribal and rural backgrounds have graduated from our institutions, many of whom are now serving in government services, private sectors, and as entrepreneurs.
- **Academic Excellence:** Our schools consistently achieve high board results and participate actively in Olympiads, debates, and science exhibitions.
- **Digital & Skill Integration:** We've introduced smart classrooms, coding clubs, and vocational training programs to bridge the urban-rural educational divide.
- **Community Engagement:** Through regular health camps, environmental drives, and awareness programs, we've built a strong relationship with the community we serve.
- **Women Empowerment:** Special focus is placed on encouraging girl education and leadership through scholarships and mentorship initiatives.

Navsarthak Foundation continues to be driven by a vision of inclusive, equitable, and quality education for all. We are proud of the milestones achieved and remain committed to expanding our impact in the years to come.
